## Standalone Platform Announcement Receiver System

The T101/STAND-P-A is a standalone platform announcement receiver system comprising of the Teleque T101/70/RXWM, with 2 x integral antenna, a 24 V, 3A power supply and a 20 watt 100V line audio amplifier. All connected and ready to go. All the installer needs to do is mount the box, connect the 100 V speakers and supply mains power. It is designed to operate with the standard Teleque T101/70/TX transmitter

- Cost effective implementation of a single platform/gateline announcement zone
- Can be used in conjunction with existing “installed” PA for coverage of specific zones - e.g. High risk locations
- Ideal for temporary installation during works
- More than one unit operating on the same frequency can be used to cover multiple platforms, ideal when cable routing is not practical
- Fully self-contained, just needs mains power and speakers
- Line of sight range >100 Metres
- Fully compatible with Teleque T101/70/TX transmitter

# Specification

The T101/STAND-P-A is housed in an IP66 rated enclosure with the following dimensions:-

## Audio

Output Power 20 Watt RMS @ 100V

## Mains Requirements

Voltage 115/230 Vac  
Current 1.6/0.8 A

## Enclosure

Material PC  
IP Rating IP66  
Manufacturer Fibox ARCA 403015

## Environmental

Temperature (storage and operating) -10 °C to +50 °C  
Humidity Range (non-condensing) 0% to 93%

## Dimensions and Weight

Dimensions Height : 400 mm  
Width : 300 mm  
Depth : 150 mm  
Weight 7 Kg

## Part Number

T101/STAND-P-A  
P - Including mains power (can be powered from 24 V if required)  
A - Including 2 x integral antenna (can be used with TDP101/70/DAIP67 if required)  
Please Note: T101/STAND-P-A does not include any speakers

## Approvals

This equipment is designed and manufactured to conform to the following EC standards:

**Radio Type Approval:** EN 300 422-1:v1.2.2, EN 300 422-2:v1.1  
**EMC:** EN 301 489-9:v1.3.1, EN 301 489-1:v 1.6.1,  
EN 50121-4:2006, ENV 50204:1996  
**Safety:** EN 60065:2002

**RoHS compliant.**

**PADS Certified:** PA05/05898
